

Roger Lamboray, M.D.

Dr. Lamboray graduated from the Medical School of "Universite Libre de Bruxelles", Brussels, Belgium in 1964.

He started as General Practitioner and quickly showed a great interest in Mesotherapy and later in Aesthetic Medicine.

In 1972, he specialized in Mesotherapy after having followed the courses in Paris with Dr. Pistor who was the innovator of that therapy.

Dr. Lamboray was the first disciple of Dr. Pistor in Belgium.
