

CURRICULUM VITAE

Name and Present Address: Christopher Coles Brown, M.D.
260 Congdon Hill Rd.
Saunderstown, R.I. 02874

Home telephone – 401-667-0554
Cell telephone – 401-824-9337
Office telephone – 401-284-1808
Office fax – 401-284-1810
Pager – 401-582-1808
E-mail - mjflb@hotmail.com

Date and Place of Birth: May 12, 1953, El Paso, Texas

Citizenship: United States

Marital Status: Married 1987, Elizabeth Frances; Four children

Education: 1971 - Graduated from Noble and Greenough High School
1975 - B.A., Summa cum laude, Phi Beta Kappa, Dartmouth College
1980 - M.D., With Honors, Baylor College of Medicine
1980 to 1983 - Internal Medicine, Residency, University of Utah
1983 to 1986 - Infectious Diseases Fellowship, N.I.A.I.D., N.I.H.

Board Certification:

Internal Medicine - September 14, 1984
Infectious Diseases - November 11, 1986

Brief Chronology of Employment:

1980 to 1981

Intern in Medicine, University of Utah Affiliated Hospitals, Salt Lake City, Utah

1981 to 1983

Resident in Medicine, University of Utah Affiliated Hospitals, Salt Lake City, Utah

1983 to 1985

Medical Staff Fellow, National Institutes of Health, NIAID/LCI

1985 to 1986

Administrative Leave from NIAID/LCI to pursue world travel, work as emergency room physician, and work as volunteer physician with International Medical Corps (I.M.C.) in Afghanistan

1986 to 1987

Medical staff Fellow, National Institutes of Health, NIAID/LCI

1987 to 1993

Expert; Laboratory of Immunoregulation, National Institutes of Health
Laboratory director of Projet SIDA in Kinshasa, Zaire

1993 to 2002

Owned and operated group practice, The Sheridan Clinic, in Internal Medicine and Infectious Diseases in Sheridan, Wyoming

Consulted for capital investment group, evaluating investment opportunities in the medical and biotechnology field

Director of Sheridan Research Institute (SRI), a not for profit entity which promoted integration of evidence based complementary / alternative with traditional medicine.

2002 to 2004

Sold medical practice to Deaconess Billings Clinic; Billings, Montana. Continued in their employ as Medical Director and physician employee of The Sheridan Clinic.

Named Medical Director and consultant for Dermazone Solutions, a private skin care company involved in medical and cosmeceutical skin care products.

2004 to 2005

Medical Director for Dermazone Solutions LLC, Clearwater, FL.
Domicile in Connecticut while working on melanoma screening research project with Dr. Rhett Drugge. Work resulted in two abstracts accepted at the Society of Investigative Dermatology. Manuscripts in preparation for publication.
Initiated cosmetic medicine research projects

2005-present

Moved domicile to Saunderstown, RI.
Continued work as medical director for Dermazone Solutions.
Established private practice in cosmetic medicine and skin cancer in Rhode Island
Continuing melanoma research work.
Continuing cosmetic medicine research projects

Societies: Phi Beta Kappa
American College of Physicians

Research Interests:

Past

HIV-1 Immunopathogenesis
Laboratory Diagnosis of Infectious Diseases
Neutrophil biology

Current

Melanoma
Acne
Skin collagen remodeling

Work Related Experience:

Diagnosis and Treatment in general Internal Medicine
Diagnosis and Treatment in Infectious Diseases
Cosmetic medicine
HIV-1 immunopathogenesis research
Cosmetic medicine research
Imaging based melanoma detection research
