Voyage of Discovery

At sea, freed from the pace of everyday living, physicians are most open to life's possibilities and embrace learning with more enthusiasm.

Physician owned and operated, Sea Courses specializes in creating the ideal experience combining live, unbiased, accredited continuing education with a cruise vacation that meets your personal taste and style. Many of our voyages offer unique and exclusive experiences onboard and on shore.

We have made it our business to anticipate the needs and desires of our guests. Small touches abound and little luxuries delight your senses from the moment you book your CME cruise until you return home. You will quickly realize the **value of combining your continued education with a cruise.**

Martin Gerretsen, MD
Director of Continuing Education
Sea Courses Cruises

“Thank you for a trip of a lifetime. This trip has been a dream come true – new places, new friends, and priceless memories in the making.”

Sam Krane MD, Nepean ON, Canada

"A special thank you for the wonderful vacation and conference experience we enjoyed with Sea Courses. We appreciated the extra effort and the attention to detail that made the difference between a good and GREAT vacation. The CME and the speakers were excellent and the blend of free time to course time was just right"
