

Dr. David P. Melamed

Dr. David Melamed at West LA Medical & Skincare is a leader in anti-aging health and an expert in reversing the signs of aging – Skin – Hair – Body. He is Board Certified in Aesthetic Medicine by the American Academy of Aesthetic Medicine and a member of the American Society for Laser Surgery and Medicine. He has more than 10 years experience in laser surgery and non-surgical cosmetic treatments.

Dr. Melamed is the leading expert in **non-surgical cosmetic rejuvenation**. He provides a full range of medical skin care services from his West Los Angeles office including diagnosis and treatment of skin conditions ranging from laser acne management, cosmetic dermatology, BOTOX®, Juvederm®, Restylane®, Radiesse®, Painless laser hair removal, and scar removal (e.g. C-Section, acne and burn scars).

Dr. Melamed is also well known in West Los Angeles, Santa Monica and Beverly Hills as an expert in **combination treatments** for anti-aging. His talents are artistic in eliminating wrinkles around the eyes, between the brows and laugh lines. The results are night & day with minimal downtime or discomfort; see the before and after pictures.

Dr. David P. Melamed is also a World renowned expert in non-surgical hair restoration. Patients regain their own hair after 6-12 months of using the latest and most advanced cold laser technology, exclusively available from Dr. David Melamed. The Laser Hair Restoration Program has been effective in more than 85% of the patients. Treatments are two to three times per week for 20 minutes each treatment session. He has lectured on these topics in the United States, Canada, Singapore, Taiwan, China, Philippines and Malaysia.

Dr. David P. Melamed is an expert in rejuvenating aging skin and reversing signs of sun damage. His comprehensive approach includes an individualized UV photo evaluation, Laser restorative procedures, and an exclusive course of therapy with physician grade cosmeceutical exclusively available from West LA Medical & Skincare. This regimen will help restore natural, radiant skin without the signs of aging.
