He is the Director of annual Asthma/Allergy /Rheumatology seminar in western NY. As a past president of cattaraugus county medical society New York , he created and became editor of people medical digest.

Dr AKL is currently assistant professor of medicine at KALEIDA health in buffalo , buffalo general hospital , dep. of asthma / allergy / immunology and rheumatology . And in practice of Asthma Allergy and Aesthetic medicine in 3 centers. Fluent in several languages, including English , Arabic , French and Spanish , he has multitude of international publications, such as in latex allergy, chronic granulomatosis disease, Chinese restaurant syndrome,cystic fibrosis and others.

Dr AKL founded three private practices, in Olean NY , Jamestown NY , and Buffalo NY. All the offices are 100 % EMR functioning and templates made from scratch by Dr AKL for all diseases related to Asthma / Allergy / and Immunology, and Aesthetic Medicine for new patients as well as for follow/up visits , this , made documenting at its best , and , decreased tremendously related liabilities.

Several procedures are performed at each offices including but not limited to : Skin testing for aero allergens and foods , Spirometry , metacholine challenge , skin biopsy , Rhinolaryngoscopy , Latex testing and challenge , local anesthetics testing and challenge , food challenge , Xolair injection , Nucala injection , Penicillin testing and challenge , drug allergy challenge , aspirin desensitization , Immunotherapy , Eosinophilic Esophagitis testing and elimination diets , Botox advanced injections, Dermal fillers, sclerotherapy, PRP , silhouette soft thread lifting, dermabrasion, microneedling....

Dr AKL has been and continue to be national consultant , and/or speaker for many pharmaceutical companies and helped launch many allergy drugs such as Claritin , Zyrtec , Xyzal , Advair , Symbicort , Proair Respiclick , Patanol , Pataday , Elestat , Optivar , Xolair and many others...

Besides enjoying golfing , Dr AKL is regularly at the fitness center , has advanced skills in Raquetball and Marshal arts. Dr AKL speaks several languages : English , French , Spanish , Lebanese , and Arabic. As a hard working doctor , he enjoys seeing patients and teaching during the week , and , dedicate his weekends to his family and when possible Sunday morning for church.

Currently , Dr AKL has given many lectures world wide on Brain Allergy , and has been on TV discussing connections between Brain allergy and Autism , Alzheimer's and other neurological diseases.... He has special interests in "brain allergy "as well as "immunologic facts how to live longer AND better" and finding further indications in Aesthetic Medicine.
